

## YOUTH ARE THE FUTURE

The Eagle/Garden City Rotary Club believes in the youth of our communities. They are our future; they are why we do projects to build support for and leadership among young people.

Every year, we distribute dictionaries to third graders in 10 schools. We present persistence awards to students at the Eagle Academy who succeed despite the odds. And we host a Christmas party, complete with Santa and his reindeer, for select students at Pierce Park Elementary. Our club also hosts students coming to Idaho through the Rotary Youth Exchange program and sponsors Idaho students going abroad.

## PEOPLE OF ACTION

The Rotary Club of Eagle/Garden City offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events and volunteer projects, we learn about the issues facing our community and communities all over the world. We love to partner with local, national and global experts to exchange ideas about potential solutions and ways to respond. Along with these opportunities to serve, our members also network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community, of District 5400 and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences and perspectives. But we share a desire to connect with others to address the challenges affecting our community and our world.

The Eagle/Garden City Rotary Club was founded May 1, 1997, as a small suburban club in the Greater Boise area. Our weekly meetings feature a diverse array of interesting speakers from our community, planning discussions for our service projects and, most of all, fun and collegiality.

## SERVICE ABOVE SELF

Solving real problems takes effort, commitment and vision. Since 1905, Rotarians have worked to prevent disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and promote peace.

In addition to our service projects for youth (see other side), members of the Eagle/Garden City Rotary Club participate in many service projects:

- Collecting trash — We have adopted a section of Hwy 44 near Eagle and keep it clean.
- Fighting malnutrition — We support Semilla Nueva, through contributions and volunteerism. This nonprofit in Guatemala helps farmers plant and harvest nutrient-rich crops.
- Preserving our environment — We partner with the city of Boise and other organizations to plant seedlings, maintain trails and do other field work.
- Raising money and awareness — We actively participate in fundraisers and other projects to raise awareness of Rotary and its good work, both in our community and around the world.
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, World Health Organization and UNICEF, we raise money and awareness to end polio, once and for all.

## JOIN US! GET INVOLVED

Rotary is about "service above self." Becoming a member enables you to meet community leaders, movers and shakers. They'll inspire you with their service and share ways that you too can make a difference, here and beyond.

Come to a meeting. You'll find it a truly rewarding — and fun — experience.

Thursdays, 12-1 pm  
Plantation Country Club, 6515 W State St, Garden City

Rather than focusing my service on one cause, I can help so many causes through Rotary.  
~ Natalie Chavez, Rotarian since 2012

My experience with our club has been immensely valuable. I've made lifelong friends and important connections that have helped me make an impact as part of a team.  
~ Linda Gerber, Rotarian since 1997

The Eagle-Garden City Rotary Club rocks!
